For fans of the beloved sitcom *Big /Bang /Theory*, the release of a new DVD set is more than just a chance to relive the humor; it's an opportunity to own a piece of television history. Season /7, in particular, stands out as a pivotal chapter in the series, marked by significant character developments, memorable guest appearances, and the introduction of a storyline that would shape the show's future. This article dives deep into every aspect of the **big bang theory season 7 dvd release**, from its production background and release details to buying tips and bonus content that makes it a must-have for collectors.

Season /7: A Turning Point in the Series

Season /7 of *Big /Bang /Theory* aired between September 2009 and May 2010, comprising 24 episodes that pushed the narrative into new territory. The season is often remembered for the introduction of the "Penny" character's evolving relationship with the main cast, the controversial "Sheldon's Roommate" arc, and the first appearance of the now-iconic "Howard and Raj" dynamic. These storylines not only enriched the show's humor but also deepened the emotional stakes, making Season /7 a fan favorite and a critical milestone in the series' trajectory.

What Makes the DVD Release Special?

The **big bang theory season 7 dvd release** offers more than just the 24 episodes on disc. It's a thoughtfully curated collection that includes:

- High-definition remastered footage for a crisp viewing experience.
- Comprehensive commentary tracks featuring the cast and crew.
- Behind-the-scenes featurettes that reveal the creative process.
- Deleted scenes and alternate takes that provide fresh perspectives.
- Interactive menus with trivia, episode guides, and character profiles.

These extras transform the set from a simple reissue into a comprehensive fan package, allowing viewers to dive deeper into the world of the show.

Release Details: Dates, Regions, and Formats

Official Release Date

The DVD set officially hit the market on **October /12, /2010**, a few months after the season concluded on television. Fans who purchased the set shortly after its release were treated to a fresh viewing experience that captured the show's humor with minimal lag from the original broadcast.

Region Codes and Compatibility

The set is encoded for **Region /1**, covering the United States and Canada. International fans should verify their DVD players' compatibility before purchase. For those in Europe and other regions, a Region 2 or Region 4 compatible player is required, or they can opt for a region-free set if available.

Format Options

While the primary format is DVD, many retailers also offer a **Blu ray edition** of Season /7, which provides higher resolution and additional audio tracks. However, for collectors who prefer the classic DVD format, the **big bang theory season 7 dvd release** remains a staple.

Where to Buy: Retailers and Online Platforms

Purchasing the set can be done through various channels, each offering its own advantages:

1. Amazon – The most accessible option with frequent deals and user reviews.
2. Best Buy – Offers in-store pickup and occasional bundle deals.
3. eBay – Ideal for finding used or discounted copies, though buyers should check seller ratings.
4. Walmart – Often provides competitive pricing and fast shipping.
5. Target – Known for occasional exclusive packaging.

For collectors seeking rare or limited editions, specialty retailers like *Entertainment Earth* and *Box Office Mojo* sometimes carry exclusive box sets featuring unique artwork.

Features and Bonus Content Explained

Commentary Tracks

Each episode comes with a commentary track that includes insights from the actors—especially the likes of Jim Parsons, Johnny Galecki, Kaley Cuoco, and Simon Helberg—alongside the show's writers and directors. These tracks offer a behind-the-scenes look at jokes, script changes, and production challenges.

Behind-The-Scenes Featurettes

The set includes a 30 minute featurette titled "The Science of Laughter," which explores how the writers blend scientific concepts with comedy. Another segment, "The Making of 'The Roommate' Episode," details the decision to bring in a new character and how that altered the dynamic of the main cast.

Deleted Scenes and Alternate Takes

Deleted scenes are a highlight for fans who love to see what didn't make the final cut. For instance, a deleted scene in the episode "The Friendship Contraction" shows a different version of Sheldon''s awkward attempt at a joke, offering a fresh laugh.

Interactive Menus and Extras

The DVD's menu system is user-friendly, featuring a "Character Spotlight" section that lists all main and recurring characters with brief bios and photos. The "Episode Guide" provides synopses, air dates, and guest stars, making it easier for viewers to navigate the set.

Packaging and Design

The **big bang theory season 7 dvd release** arrives in a sleek, matte black case that sports the show's iconic logo. Inside, each disc is labeled with the episode title and season number, ensuring easy identification. The case includes a booklet with high-resolution artwork, a brief history of the season, and a timeline of key events.

Pricing Overview

Pricing for the set varies depending on the retailer and condition:

- New, retail edition – Typically ranges from $39.99 to $49.99.

- Used or refurbished – Often available for $24.99 to $34.99.
- Collector’s edition – Can exceed $60 if it includes exclusive artwork or limited prints.

It’s worth comparing prices across sites and looking for bundle deals that might include Season 8 or the entire series.

Comparison: DVD vs. Blu ray

While the DVD set delivers a satisfying viewing experience, the Blu ray version offers:

- Full 1080p resolution for sharper images.
- Lossless audio tracks for enhanced sound quality.
- Additional bonus material, such as extended commentary.

However, the DVD set remains a favorite for collectors who appreciate the tactile feel of discs and the nostalgia associated with physical media.

Collector’s Items and Limited Editions

For avid fans, limited editions of the Season /7 set provide exclusive perks:

- Specially designed case with a holographic sticker.
- Signed posters featuring the main cast.
- Exclusive behind-the-scenes DVD with additional commentary.

These editions often come with a numbered certificate of authenticity, adding to their value.

Tips for Buying the Season /7 DVD Set

1. Check for Region Compatibility – Ensure your DVD player matches the set’s region code.
2. Read User Reviews – Look for comments on disc condition and completeness of bonus features.
3. Compare Prices – Use price comparison tools to find the best deal.
4. Verify Packaging – Confirm that the case and booklet are intact and not damaged.
5. Consider Refurbished Options – Refurbished sets often offer savings without compromising quality.
