Magic Tree House Series List in Order: The Complete Guide

The **Magic Tree House** series has enchanted millions of readers since its debut in 1993. Created by author **Mary Pope Osborne** and illustrator **Will Osborne**, the books follow siblings Alex and Annie as they travel through time and space in a magical treehouse that appears in their backyard. Over the years, the series has expanded from a simple adventure tale into a sprawling collection of books, spin-offs, and companion guides. If you're looking to dive into the world of the treehouse, you'll need a reliable **Magic Tree House series list in order** to make sure you don't miss a single adventure.

Why Order Matters in the Magic Tree House Series

While each book can be read as a standalone story, the series is designed to build on previous adventures. Characters grow, new friends appear, and the stakes become higher as Alex and Annie travel further into history. Reading the books in the correct sequence allows readers to:

- Follow character development and relationships.
- Understand recurring themes and plot threads.
- Appreciate the evolution of the writing style and illustrations.
- Enjoy a smoother narrative flow, especially for younger readers.

Below is a comprehensive guide that takes you from the first book to the latest releases, including the original series, the "Magic Tree House: The Lost Cities" spin-off, and the "Magic Tree House: The Secret of the Dragon" series.
