The Dark Hunter series is a sprawling epic that follows a group of immortal beings—vampires, angels, demons, and humans—whose lives intersect in a battle for control over the world's fate. At its core, the series is a romance, but it is also a sweeping saga of power, betrayal, and the fight between light and darkness.

Setting and World Building

Set in a modern world that secretly teeters on the brink of supernatural upheaval, the series blends contemporary settings (New York City, Los Angeles, and beyond) with ancient, mystical realms. Warren Black

Warren is the series' first protagonist—a human with a mysterious past who becomes entangled with the supernatural. His journey from ordinary to extraordinary forms the foundation of the Dark Hunter narrative.

Julian Black

Julian is Warren's older brother, a vampire with a tragic history. His internal conflict between his vampiric nature and his love for humanity creates some of the series' most compelling tension.
